

Kala Ghoda Art Festival 2010

PROVERBIAL PUP

Let your kid wake up to discover a thought-for-the-day slipped in an envelope snugly held in a pooch's mouth. This hardbound magazine rack made from paper is actually a DIY kit, which encourages kids to cut, colour and then paste various doggie parts on the rack. It can hold approximately five to six magazines.

AT: Young Art, Stall no 41
COST: Rs 180
